

## Fundraisers

At MCA, we're committed to raising awareness and supporting cancer research through our music. We believe that music has the power to heal, and that by coming together and raising funds, we can make a real difference in the fight against cancer.

Throughout the year, we'll be hosting a number of fundraisers to support cancer research. Here are some of the events you can look forward to:

- **Benefit concerts:** We'll be partnering with local musicians and bands to put on concerts in support of cancer research. All proceeds from these concerts will go towards funding cancer research and supporting cancer patients.
- **Charity auctions:** We'll be hosting charity auctions online, featuring unique items and experiences donated by musicians and other artists. All proceeds from these auctions will go towards funding cancer research.
- **Donation drives:** We'll be collecting donations both online and in person to support cancer research. Whether it's a one-time donation or a recurring donation, every contribution helps us in the fight against cancer.

We'll be updating our website and social media pages regularly with information about upcoming fundraisers, so be sure to follow us to stay up-to-date on all the latest news and events. Thank you for your support in the fight against cancer!
